Adveda Agro Products, Mumbai – Premium Hair Oil and Joint & Muscle Pain Reliever Oil Exporter in India:

Welcome to Adveda Agro Products, Mumbai renowned as the Premium Hair Oil exporter in India. Established in 2021, Adveda Agro Products has rapidly emerged as a trusted merchant exporter, specializing in the export of high-quality Premium Hair Oil. Operating from Mumbai, Maharashtra, India, we embody the ethos of 'Exporting Excellence' and have cemented our reputation through unwavering commitment to quality, innovation, and sustainability.

Our Mission and Vision:

Our mission at Adveda Agro Products, Mumbai is to redefine global trade by fostering excellence and sustainability in every transaction. We aim to be the benchmark for quality in the export-import industry, consistently exceeding our customers' expectations. Our vision is to lead the international market by setting new standards of innovation, integrity, and customer satisfaction.

Product Details: Premium Hair Oil:

Product Excellence: Premium Hair Oil

Adveda Agro Products, Mumbai has developed the Premium Herbal Hair Oil for International Markets and Domestic Market. Oil for International market is made with more exotic herbs and oils. Both the oils are sold in Premium oils category. The hair oil works towards giving new life to your hair by relaxing your mind improving blood. Say goodbye to harsh chemicals and embrace the power of Ayurveda with this all-natural, scientifically-proven formula that [promotes hair regrowth](#) and combats hair loss. The hair Oil is renowned for its superior quality, making it highly sought after in international markets.

Benefits:

- Promotes healthy hair growth
- Strengthens hair and reduces breakage
- Fights dandruff and soothes the scalp
- Nourishes and conditions for revitalized hair texture
- Mineral oil-free for pure, organic care

Key Ingredients:

Til Oil, Sunflower Oil, Coconut Oil, Bhringraj, Amla, Jaswand, Limbu, Methi, Neem Patra, Kumari, Kadipatta, Brahmi, Nagarmotha, Jeshthmadh, Jatamasi, Mehendi, Shankpushpi, Manjishtha, Lavender

How to Use:

- Apply a small amount to your fingertips and gently massage it into your scalp and hair.
- Leave the oil on for at least an hour, or for more intensive conditioning, you can leave it on overnight.
- Afterwards, shampoo and rinse as usual to reveal beautifully nourished and healthier hair.

Key Features of Premium Hair Oil:

- **First Quality:** A Grade

- **Net Weight:** 100 gm per Bottle
- **Packaging:** Carton Box, All Packing Materials, 100 ml Bottles with Cap

Product Details: Joint & Muscle Pain Reliever Oil:

Product Excellence: Joint & Muscle Reliever Oil

Adveda Agro Products has developed the Muscles & Joints Pain Relief Oil for International Markets and Domestic Market. Oil for International market is made with more exotic herbs. Both the oils will be sold in Premium oils category. It is an excellent pain reliever based on Panchakarma treatment. The oil absorbs into the affected areas, provides a warm effect that helps to relax the muscles by removing toxins and improving blood circulation.

Benefits:

- Provides relief in knee pain, backache & muscular pain
- Provides comfort to the joints
- Removes stiffness & inflammation
- Improves mobility of joints
- Effective in arthritis, spondylosis & rheumatic pain

Key Ingredients:

Til Oil, Methi, Nirgundi, Dhattur, Ashtishrukhala, Gomay Ras, Sunth, Amrutdhara, Nilgiri Oil, Saidhav, Punarnava

How to Use:

- Heat 10-12 ml of oil in an oil heating vessel on a low flame.
- Apply warm oil to the muscle or joint, where there is pain.
- Massage gently with this oil for a few minutes.

Advanced Logistics and Transportation:

We understand the importance of maintaining the quality of our Oils from Factory to the international markets. Hence, we employ state-of-the-art logistics and transportation methods.

Key Logistics Features:

- **Local Transport to Cold Storage:** We ensure efficient local transportation to Port.
- **Seven Forty-Foot Refer Containers:** We utilize seven forty-foot refrigerated containers to transport our Hair Oil & Joint & Muscle Pain Reliever Oil.
- **Container Stuffing for Port:** Our expert team ensures proper container stuffing at the Port facilities to prevent damage during transit.

Sustainable and Quality Control:

Sustainability is at the core of our operations. Our bananas are harvested from farms that adhere to sustainable farming practices, ensuring minimal environmental impact. We maintain rigorous quality control standards to ensure that every banana that leaves our facility is of the highest quality.

Factory & Storage Locations:

Our factory & storage locations are strategically located to minimize transportation time and preserve the freshness and quality of our Oils.

Quality Control Measures:

- Regular inspections at every stage of the supply chain.
- Food grade bottles and caps.
- Thick Packaging material for safe and efficient transportation.
